DUI/Risk Reduction Participant Technology Guide

- If you have not already done so, please email thomas@browningdis.com from your preferred email account, with the subject line as your First and Last Name and the First Date of Class
- We will be using this email address to communicate Webex Connection Information, send any additional course materials, and certificates of completion
- You will need one of the following hardware devices to participate:
 - Laptop or PC with Windows 10 Operating System, and must have webcam
 - Phone or Tablet running Apple iOS or Android OS and have access to the Apple Store or Play Store to download webex software
 - Headphones – Participants are expected to contribute and share as part of the course, headphones help protect the privacy of your fellow participants and your privacy.
 - Microphone – Preferably a headset, but built in device microphone is ok as long as you can be heard and understood when speaking
 - Phone – Audio can go over the Internet as part of the webex meeting, we will also provide dial-in conference numbers. If you use this then your audio is independent of the Network/Internet and can reduce some bandwidth needs
 - Strong Wifi and Internet:
 - **Maximum bandwidth consumption of Sending and Receiving Video (Per Webex Site):**
 - High Definition Video: 2.5 Mbps (Receive) and 3.0 Mbps (Send)
 - High Quality Video: 1.0 Mbps (Receive) and 1.5 Mbps (Send)
 - Standard Quality Video: 0.5 Mbps (Receive) and 0.5 Mbps (Send)
- You will need the following software:
 - Webex Software, See Next Page for instructions on Downloading
 - Email

*If you are using cellular data:

- Most Cellular data is metered, meaning there are data caps or overage fees that you may encounter. It is not recommended as your primary method of connecting, but maybe a useful backup option.
- Some Carriers are temporarily removing data caps while COVID-19 responses are in effect, check with your carrier for more information.
- Signal Strength = Speed, Ensure you have a strong wireless signal if you are connecting this way
